OVAL AND JANS END TABLE ASSEMBLY INSTRUCTIONS

STEP 1: (a) Lay all pieces on a smooth soft surface, such as cardboard, to help avoid scratching. We suggest using a #2 square drive bit to fasten all screws (available at your local hardware store). **Be careful to not over tighten any of the fasteners.**

STEP 2: (b) Insert the leg stretcher into the pocket of one of the leg assemblies and secure from the outside with the supplied 1 ½" stainless steel flat head screw. (c) Repeat the process with the other leg assembly. (d) Now you have your completed table base assembly.

STEP 3: (e) Place the top upside down on a clean soft surface. (f) Insert the tops of the leg assemblies into the pockets in the bottom of the top. (g) Fasten the table base assembly to the top using the supplied 1 ½" flat head stainless steel screws X4.
